Dear Parents/Careers,

Congratulations on a great term

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

School Improvement Agenda: Action Learning Project (writing focus)

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

Parent and Teacher interviews

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

Holidays: Friday 25 March to Sunday 10 April

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

Leave

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss
Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school. In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. [https://www.surveymonkey.com/r/VW3FNTL](https://www.surveymonkey.com/r/VW3FNTL)

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentrauss.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program, Strengths of the program, Weaknesses of the program and Other Reflections. Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country

On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school. Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.
Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- **Immersion** – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- **Demonstration** – Read to your child and give them the opportunity to read to others.
- **Expectation** – Expect that you will read together so books should be given to your child at an early age.
- **Responsibility** – Enjoy reading together and let your child choose a book.
- **Use and Practice** – Give your child lots of opportunities to read and write.
- **Response** – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- **Approximation** – Let your child take an active part and experiment in reading.
- **Reflection** – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Uniform Shop News
The opening days and hours are

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

Parent English Class
Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- Excursion Date: Tuesday, 19th April
- Meeting Time: 9:00am
- Meeting Place: French classroom - our usual classroom
- What to bring: Hat + wear comfortable walking shoes
- Lunch + drinking water
- Umbrella (in case of rainy weather)
- Happy smiles & loud speaking voices
- Return time: We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

FREE Triple P Seminar
Positive parenting in a nutshell for parents of 0 – 12 year olds.

28 APRIL
The Power of Positive Parenting
For every parent who ever wondered “Why does my child do that?” This seminar helps you understand the reasons kids do what they do, so you can guide their behavior – and the direction of the behavior you like, and less of the behavior you don’t like.

12 MAY
Raising Confident, Competent Children
You can help your child become confident and successful at school and beyond. Find new ways to encourage them to be respectful and considerate, communicate and get on well with others, talk good about themselves and become independent problem solvers.

26 MAY
Raising Resilient Children
How can you help your child manage stressors so they feel well prepared and confident in dealing with challenges? The strategies that will help them to recognize positive and negative emotions – and deal with them in a healthy way.

Is this you?
Most of the time, parenting is fun. You know you are doing a good job. But there are times when things go a little tricky. Like when your toddler won’t eat her dinner. Or your six year old won’t pack up his toys. If only you could give your children some ideas to make those times easier! If this sounds like you, then a Triple P seminar may be right for you. Triple P is a parenting program for all families that provides practical answers to everyday concerns.

5 – 7 PM | LEVEL 2
170 LEICHHARDT ST
SPRING HILL, Q 4004
CHILD CARE: Childcare is available onsite through Kids Academy for a nominal fee of $5 per child. Bookings are essential.

Register at www.triplep-parenting.net.au or call 0439 647 918 for more information.

Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: http://judithwrightcentre.com/event/kaleidoscope

The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com

2016 School Improvement Agenda

To improve student outcomes we will use the growth mindset strategies for:
1. Student Case Management in Reading to use data to differentiate for students.
2. Action Learning projects to gain an understanding of effective teaching strategies in writing.
3. Talk partners within the classroom to support learners.
4. Digital Literacies as a tool to engage learners.

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

Immersion – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.

Demonstration – Read to your child and give them the opportunity to read to others.

Expectation – Expect that you will read together so books should be given to your child at an early age.

Responsibility – Enjoy reading together and let your child choose a book.

Use and Practice – Give your child lots of opportunities to read and write.

Response – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.

Approximation – Let your child take an active part and experiment in reading.

Reflection – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Parent English Class

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

<table>
<thead>
<tr>
<th>Excursion Date:</th>
<th>Tuesday, 19th April</th>

| Return time:   | We will return to BCSS at 2:45pm |

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Allison, Sandra & Colleen
(Parent English Class Teachers)
Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: [http://judithwrightcentre.com/event/kaleidoscope](http://judithwrightcentre.com/event/kaleidoscope)

The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact [friendsofbedfordpark@gmail.com](mailto:friendsofbedfordpark@gmail.com)
Harmony Day
Dear Parents/Carers,

**Congratulations on a great term**

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

**School Improvement Agenda: Action Learning Project (writing focus)**

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss
Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

**Advance Learners Program**

**Parent Register – Area of Special Interest or Expertise**

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. [https://www.surveymonkey.com/r/VW3FNTL](https://www.surveymonkey.com/r/VW3FNTL)

**Advanced Learner Program – Parent Feedback**

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentrauss.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program,
Strengths of the program, Weaknesses of the program and Other Reflections.
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

**PE News**

**Cross Country**

On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.
Dave Johnson
PE Teacher
**Active School Travel**

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

**Star Class Trophy**

The following class has won the **Star Class Trophy**, for the highest percentage of students actively travelling to school each week.

**Week 8 was 2W with 100%**

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. **Please have a look at the map.** An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

**Library News**

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentraless.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program, 
Strengths of the program, Weaknesses of the program and Other Reflections. 
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country
On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.  
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.  
Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

**Week 8 was 2W with 100%**

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

**Borrowing Information**

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

**How to encourage reading at home**

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- **Immersion** – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- **Demonstration** – Read to your child and give them the opportunity to read to others.
- **Expectation** – Expect that you will read together so books should be given to your child at an early age.
- **Responsibility** – Enjoy reading together and let your child choose a book.
- **Use and Practice** – Give your child lots of opportunities to read and write.
- **Response** – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- **Approximation** – Let your child take an active part and experiment in reading.
- **Reflection** – Discuss your child’s reading habits as well as allowing them to think back over a story.

**Books for Fiji Children**

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Uniform Shop News
The opening days and hours are
- Every Tuesday 8.15 - 8.45 am
- Every Friday 3.00 – 3.30 pm
Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

2016 P&C Executive: Contact us at pandc@brisbanecentralss.eq.edu.au

President: Brian Steendyk
Vice President: Kirsten Lovejoy
Vice President: Nizam Abbany
Treasurer: Colleen Tuxworth
Secretary: Kat Hennessy

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- Excursion Date: Tuesday, 19th April
- Meeting Time: 9:00am
- Meeting Place: French classroom - our usual classroom
- What to bring: Hat + wear comfortable walking shoes
- Lunch + drinking water
- Umbrella (in case of rainy weather)
- Happy smiles & loud speaking voices
- Return time: We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Allison, Sandra & Colleen
(Parent English Class Teachers)
Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at:
http://judithwrightcentre.com/event/kaleidoscope

The **Spring Hill Neighbour Community Event** hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
Dear Parents/Carers,

**Congratulations on a great term**

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

**School Improvement Agenda: Action Learning Project (writing focus)**

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss

---

**2016 School Improvement Agenda**

To improve student outcomes we will use the growth mindset strategies for:
1. Student Case Management in Reading to use data to differentiate for students.
2. Action Learning projects to gain an understanding of effective teaching strategies in writing.
3. Talk partners within the classroom to support learners.
4. Digital Literacies as a tool to engage learners.

Reading

Reading to learn is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school. In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey.

Vice President: Kirsten Lovejoy
Vice President: Nizam Abbany
Treasurer: Colleen Tuxworth
Secretary: Kat Hennessy

The next P & C meeting is on **Wednesday 13 April** starting at 6.00pm in the French room.

**Parent English Class**
Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other.

The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- **Excursion Date:** Tuesday, 19th April
- **Meeting Time:** 9:00am
- **Meeting Place:** French classroom - our usual classroom
- **What to bring:** Hat + wear comfortable walking shoes, Lunch + drinking water, Umbrella (in case of rainy weather), Happy smiles & loud speaking voices
- **Return time:** We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

FREE Triple P Seminar
Positive parenting in a nutshell for parents of 0 – 32 year olds

28 APRIL
The Power of Positive Parenting
For every parent who ever wondered “Why does my child do that?” This seminar helps you understand the reasons kids do what they do, so you can guide their behaviour – and the mode of the behaviour you like, and less of the behaviour you don’t like.

12 MAY
Raising Confident, Competent Children
You can help your child become confident and successful at school and beyond. Find new ways to encourage them to be responsible, communicate and get on well with others, feel good about themselves and become independent problem solvers.

26 MAY
Raising Resilient Children
How can you help your child manage new, unexpected situations? Get the strategies that will allow them to recognize positive and negative emotions – and deal with them in a healthy way.

Is this you?
Most of the time, parenting is fun. You know you are doing a good job. But there are times when things go a little tricky. Like when your toddler won’t kick the dinner. Or your 13-year-old won’t pick up his toys. If only anger could give you some ideas to make these times easier. If this sounds like you, then a Triple P seminar may be right for you. Triple P is a parenting program for all families that provides practical answers to everyday concerns.

5 – 7 PM | LEVEL 2
170 LEICHHARDT ST
SPRING HILL Q 4004
CHILD CARE: Childcare is available onsite through Kids Academy for a nominal fee of $5 per child. Bookings are essential.

Register at www.triplep-parenting.net.au or call 0439 647 918 for more information.

Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
Dear Parents/Carers,

**Congratulations on a great term**

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

**School Improvement Agenda: Action Learning Project (writing focus)**

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss
Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Parent Register – Area of Special Interest or Expertise
Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. https://www.surveymonkey.com/r/VW3FNTL

Advanced Learner Program – Parent Feedback
There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentralss.eq.edu.au Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program,
Strengths of the program, Weaknesses of the program and Other Reflections.
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News
Cross Country
On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.
Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- Immersion – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- Demonstration – Read to your child and give them the opportunity to read to others.
- Expectation – Expect that you will read together so books should be given to your child at an early age.
- Responsibility – Enjoy reading together and let your child choose a book.
- Use and Practice – Give your child lots of opportunities to read and write.
- Response – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- Approximation – Let your child take an active part and experiment in reading.
- Reflection – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss
Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school. In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. https://www.surveymonkey.com/r/VW3FNTL

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentralss.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program,
Strengths of the program, Weaknesses of the program and Other Reflections.
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country

On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.

Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- Immersion – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- Demonstration – Read to your child and give them the opportunity to read to others.
- Expectation – Expect that you will read together so books should be given to your child at an early age.
- Responsibility – Enjoy reading together and let your child choose a book.
- Use and Practice – Give your child lots of opportunities to read and write.
- Response – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- Approximation – Let your child take an active part and experiment in reading.
- Reflection – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

P and C News

Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Uniform Shop News
The opening days and hours are
- Every Tuesday 8.15 - 8.45 am
- Every Friday 3.00 – 3.30 pm
Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

2016 P&C Executive: Contact us at pandc@brisbanecentralss.eq.edu.au

President: Brian Steendyk
Vice President: Kirsten Lovejoy
Vice President: Nizam Abbany
Treasurer: Colleen Tuxworth
Secretary: Kat Hennessy

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

Parent English Class

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- Excursion Date: Tuesday, 19th April
- Meeting Time: 9:00am
- Meeting Place: French classroom - our usual classroom
- What to bring: Hat + wear comfortable walking shoes
- Lunch + drinking water
- Umbrella (in case of rainy weather)
- Happy smiles & loud speaking voices
- Return time: We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Triple P Seminar
Positive parenting in a nutshell for parents of 0 – 12 year olds.

28 APRIL
The Power of Positive Parenting
For every parent who ever wondered “Why does my child do that?” This seminar helps you understand the reasons kids do what they do, so you can guide their behavior — and the results of the behaviors you like, and less of the behavior you don’t like.

12 MAY
Raising Confident, Competent Children
You can help your child become confident and successful at school and beyond. Find new ways to encourage them to be respectful and considerate, communicate and get on well with others, feel good about themselves and become independent problem solvers.

26 MAY
Raising Resilient Children
How can you help your child manage real situations so they can deal with stress, hard times and difficulties? Get the strategies that will allow them to recognize positive and negative emotions — and deal with them in a healthy way.

Is this you?
Most of the time, parenting is fun. You know you are doing a good job. But there are times when things just have a little ‘twist’. Like when your toddler won’t eat her dinner. Or your 10 year old won’t pick up his toys. If only you knew what you could give them some ideas to make those times easier. If this sounds like you, then a Triple P seminar may be right for you. Triple P is a parenting program for all families that provides practical answers to everyday concerns.

5 – 7 PM | LEVEL 2
170 LEICHHARDT ST
SPRING HILL Q 4004

CHILD CARE: Childcare is available onsite through Kids Academy for a nominal fee of $5 per child. Bookings are essential.

Register at www.triplep-parenting.net.au or call 0439 647 918 for more information.

Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: http://judithwrightcentre.com/event/kaleidoscope

The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
Dear Parents/Carers,

Congratulations on a great term

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

School Improvement Agenda: Action Learning Project (writing focus)

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

Parent and Teacher interviews

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

Holidays: Friday 25 March to Sunday 10 April

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

Leave

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Parent English Class

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- Excursion Date: Tuesday, 19th April
- Meeting Time: 9:00am
- Meeting Place: French classroom - our usual classroom
- What to bring: Hat + wear comfortable walking shoes
- Lunch + drinking water
- Umbrella (in case of rainy weather)
- Happy smiles & loud speaking voices
- Return time: We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Allison, Sandra & Colleen
(Parent English Class Teachers)
Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: http://judithwrightcentre.com/event/kaleidoscope

The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
Dear Parents/Carers,

**Congratulations on a great term**

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

**School Improvement Agenda: Action Learning Project (writing focus)**

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss
Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school. In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey.  

https://www.surveymonkey.com/r/VW3FNTL

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentralsss.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program, Strengths of the program, Weaknesses of the program and Other Reflections.

Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country
On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school. Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.
Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

Immersion – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.

Demonstration – Read to your child and give them the opportunity to read to others.

Expectation – Expect that you will read together so books should be given to your child at an early age.

Responsibility – Enjoy reading together and let your child choose a book.

Use and Practice – Give your child lots of opportunities to read and write.

Response – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.

Approximation – Let your child take an active part and experiment in reading.

Reflection – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,  
Teacher Librarian.
Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. 24 March 2016
Learning to read is arguably the most important educational outcome of our students' learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise
Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. [https://www.surveymonkey.com/r/VW3FNTL](https://www.surveymonkey.com/r/VW3FNTL)

Advanced Learner Program – Parent Feedback
There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentraless.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program,
Strengths of the program, Weaknesses of the program and Other Reflections.
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country
On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.
Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

Immersion – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
Demonstration – Read to your child and give them the opportunity to read to others.
Expectation – Expect that you will read together so books should be given to your child at an early age.
Responsibility – Enjoy reading together and let your child choose a book.
Use and Practice – Give your child lots of opportunities to read and write.
Response – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
Approximation – Let your child take an active part and experiment in reading.
Reflection – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

**P and C News**

**Election Day BBQ:**
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

**P&C Parent Questionnaire:**
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

**Uniform Shop News**
The opening days and hours are

- Every Tuesday 8.15 - 8.45 am
- Every Friday 3.00 – 3.30 pm

Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

**2016 P&C Executive:** Contact us at pandc@brisbanecentralss.eq.edu.au

President: Brian Steendyk  
Vice President: Kirsten Lovejoy  
Vice President: Nizam Abbany  
Treasurer: Colleen Tuxworth  
Secretary: Kat Hennessy

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

**Parent English Class**

**Art Gallery Excursion on Tuesday 19th April**
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other.
The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- **Excursion Date:** Tuesday, 19th April  
- **Meeting Time:** 9:00am  
- **Meeting Place:** French classroom - our usual classroom  
- **What to bring:** Hat + wear comfortable walking shoes  
  Lunch + drinking water  
  Umbrella (in case of rainy weather)  
  Happy smiles & loud speaking voices  
- **Return time:** We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Allison, Sandra & Colleen  
(Parent English Class Teachers)
Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: http://judithwrightcentre.com/event/kaleidoscope

The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
FROM THE PRINCIPAL’S DESK...

Dear Parents/Carers,

Congratulations on a great term
I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

School Improvement Agenda: Action Learning Project (writing focus)
During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

Parent and Teacher interviews
Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

Holidays: Friday 25 March to Sunday 10 April
Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.
Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

Leave
During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,
Graham Rickuss

---

2016 School Improvement Agenda
To improve student outcomes we will use the growth mindset strategies for:
1. Student Case Management in Reading to use data to differentiate for students.
2. Action Learning projects to gain an understanding of effective teaching strategies in writing.
3. Talk partners within the classroom to support learners.
4. Digital Literacies as a tool to engage learners.

Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Uniform Shop News
The opening days and hours are

- Every Tuesday 8.15 - 8.45 am
- Every Friday 3.00 – 3.30 pm

Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

2016 P&C Executive: Contact us at pandc@brisbanecentralss.eq.edu.au

President: Brian Steendyk
Vice President: Kirsten Lovejoy
Vice President: Nizam Abbany
Treasurer: Colleen Tuxworth
Secretary: Kat Hennessy

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

Parent English Class

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- Excursion Date: Tuesday, 19th April
- Meeting Time: 9:00am
- Meeting Place: French classroom - our usual classroom
- What to bring: Hat + wear comfortable walking shoes
- Lunch + drinking water
- Umbrella (in case of rainy weather)
- Happy smiles & loud speaking voices
- Return time: We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Allison, Sandra & Colleen
(Parent English Class Teachers)
Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: http://judithwrightcentre.com/event/kaleidoscope

The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
FROM THE PRINCIPAL’S DESK...

Dear Parents/Carers,

**Congratulations on a great term**

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

**School Improvement Agenda: Action Learning Project (writing focus)**

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss

---

**2016 School Improvement Agenda**

To improve student outcomes we will use the growth mindset strategies for:
1. Student Case Management in Reading to use data to differentiate for students.
2. Action Learning projects to gain an understanding of effective teaching strategies in writing.
3. Talk partners within the classroom to support learners.
4. Digital Literacies as a tool to engage learners.

Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey.  [https://www.surveymonkey.com/r/VW3FNTL](https://www.surveymonkey.com/r/VW3FNTL)

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentraass.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program,
Strengths of the program, Weaknesses of the program and Other Reflections.
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country

On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.

Dave Johnson
PE Teacher
**Active School Travel**

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

**Star Class Trophy**

The following class has won the **Star Class Trophy**, for the highest percentage of students actively travelling to school each week.

**Week 8 was 2W with 100%**

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. **Please have a look at the map.** An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

**Library News**

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

**Borrowing Information**

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

**How to encourage reading at home**

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- **Immersion** – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- **Demonstration** – Read to your child and give them the opportunity to read to others.
- **Expectation** – Expect that you will read together so books should be given to your child at an early age.
- **Responsibility** – Enjoy reading together and let your child choose a book.
- **Use and Practice** – Give your child lots of opportunities to read and write.
- **Response** – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- **Approximation** – Let your child take an active part and experiment in reading.
- **Reflection** – Discuss your child’s reading habits as well as allowing them to think back over a story.

**Books for Fiji Children**

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,  
Teacher Librarian.

The Spring Hill Neighbour Community Event hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
FROM THE PRINCIPAL’S DESK...

24 March 2016

Dear Parents/Carers,

Congratulations on a great term

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

School Improvement Agenda: Action Learning Project (writing focus)

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

Parent and Teacher interviews

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

Holidays: Friday 25 March to Sunday 10 April

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

Leave

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss
Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. https://www.surveymonkey.com/r/VW3FNTL

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentrals.eq.edu.au Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program, Strengths of the program, Weaknesses of the program and Other Reflections.

Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country

On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school. Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.

Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- **Immersion** – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- **Demonstration** – Read to your child and give them the opportunity to read to others.
- **Expectation** – Expect that you will read together so books should be given to your child at an early age.
- **Responsibility** – Enjoy reading together and let your child choose a book.
- **Use and Practice** – Give your child lots of opportunities to read and write.
- **Response** – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- **Approximation** – Let your child take an active part and experiment in reading.
- **Reflection** – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.
Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Uniform Shop News
The opening days and hours are

- Every Tuesday 8.15 - 8.45 am
- Every Friday 3.00 – 3.30 pm

Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

2016 P&C Executive: Contact us at pandc@brisbanecentralss.eq.edu.au

President: Brian Steendyk
Vice President: Kirsten Lovejoy
Vice President: Nizam Abbany
Treasurer: Colleen Tuxworth
Secretary: Kat Hennessy

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

Parent English Class

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- **Excursion Date:** Tuesday, 19th April
- **Meeting Time:** 9:00am
- **Meeting Place:** French classroom - our usual classroom
- **What to bring:** Hat + wear comfortable walking shoes, Lunch + drinking water, Umbrella (in case of rainy weather), Happy smiles & loud speaking voices
- **Return time:** We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Parent English Class
Art Gallery Excursion on Tuesday 19th April
BCSS  Parent  English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Allison, Sandra & Colleen
(Parent English Class Teachers)
Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: [http://judithwrightcentre.com/event/kaleidoscope](http://judithwrightcentre.com/event/kaleidoscope)

The **Spring Hill Neighbour Community Event** hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact [friendsofbedfordpark@gmail.com](mailto:friendsofbedfordpark@gmail.com)
FROM THE PRINCIPAL’S DESK...

Dear Parents/Carers,

**Congratulations on a great term**

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

**School Improvement Agenda: Action Learning Project (writing focus)**

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss

---

2016 School Improvement Agenda

To improve student outcomes we will use the growth mindset strategies for:
1. Student Case Management in Reading to use data to differentiate for students.
2. Action Learning projects to gain an understanding of effective teaching strategies in writing.
3. Talk partners within the classroom to support learners.
4. Digital Literacies as a tool to engage learners.

Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. https://www.surveymonkey.com/r/VW3FNTL

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentralss.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program, Strengths of the program, Weaknesses of the program and Other Reflections.

Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country

On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.

Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

Immersion – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.

Demonstration – Read to your child and give them the opportunity to read to others.

Expectation – Expect that you will read together so books should be given to your child at an early age.

Responsibility – Enjoy reading together and let your child choose a book.

Use and Practice – Give your child lots of opportunities to read and write.

Response – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.

Approximation – Let your child take an active part and experiment in reading.

Reflection – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

**Election Day BBQ:**
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

**P&C Parent Questionnaire:**
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

**Uniform Shop News**
The opening days and hours are
- **Every Tuesday** 8.15 - 8.45 am
- **Every Friday** 3.00 – 3.30 pm
Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

**2016 P&C Executive:** Contact us at pandc@brisbanecentralss.eq.edu.au

- President: Brian Steendyk
- Vice President: Kirsten Lovejoy
- Vice President: Nizam Abbany
- Treasurer: Colleen Tuxworth
- Secretary: Kat Hennessy

The next P & C meeting is on **Wednesday 13 April** starting at 6.00pm in the French room.

Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. [https://www.surveymonkey.com/r/VW3FNTL](https://www.surveymonkey.com/r/VW3FNTL)

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentralsss.eq.edu.au  Subject:  Advanced Learner Program Feedback

Include:  Your child’s name, Name/date of the program,
Strengths of the program, Weaknesses of the program and Other Reflections.
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country
On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.
Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- Immersion – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- Demonstration – Read to your child and give them the opportunity to read to others.
- Expectation – Expect that you will read together so books should be given to your child at an early age.
- Responsibility – Enjoy reading together and let your child choose a book.
- Use and Practice – Give your child lots of opportunities to read and write.
- Response – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- Approximation – Let your child take an active part and experiment in reading.
- Reflection – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.
Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Uniform Shop News
The opening days and hours are
- Every Tuesday 8.15 - 8.45 am
- Every Friday 3.00 – 3.30 pm
Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

2016 P&C Executive: Contact us at pandc@brisbanecentralss.eq.edu.au

President: Brian Steendyk
Vice President: Kirsten Lovejoy
Vice President: Nizam Abbany
Treasurer: Colleen Tuxworth
Secretary: Kat Hennessy

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

Parent English Class

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

- **Excursion Date:** Tuesday, 19th April
- **Meeting Time:** 9:00am
- **Meeting Place:** French classroom - our usual classroom
- **What to bring:** Hat + wear comfortable walking shoes
  Lunch + drinking water
  Umbrella (in case of rainy weather)
  Happy smiles & loud speaking voices
- **Return time:** We will return to BCSS at 2:45pm

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

Allison, Sandra & Colleen
(Parent English Class Teachers)
Looking for some Easter School Holiday fun? Then be sure to catch KALEIDOSCOPE at the Judith Wright Centre of Contemporary Arts. View life through young Brisbane boy Ethan’s eyes, who lives with Asperger Syndrome. Witness a joyous, poetic circus experience that explores great beauty found in the smallest things. Simply use the code word 2016CIRCUS to redeem discounted prices to this inspiring show. Season runs from Wed 6 – Sat 9 April. Book now at: http://judithwrightcentre.com/event/kaleidoscope

The **Spring Hill Neighbour Community Event** hosted by Friends of Bedford Park will be held on the 16th of April at Bedford Park, corner of Water Street and Love Street Spring Hill from 10am to 11:30am. Last year’s Neighbour Day event was hugely successful and this year Friends of Bedford Park would like to broaden the appeal to a wider audience to include the Neighbour Day focus with Harmony Day to be more inclusive of the multi-cultural community of Spring Hill. The concept of the event is to bring a plate of food, have a picnic, say g’day and enjoy some of the simple activities provided. It is envisaged that the event will again enliven the green heart of Spring Hill and assist in building the local community spirit of Spring Hill. If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
Dear Parents/Carers,

Congratulations on a great term

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

School Improvement Agenda: Action Learning Project (writing focus)

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

Parent and Teacher interviews

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

Holidays: Friday 25 March to Sunday 10 April

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

Leave

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,
Graham Rickuss

If anyone is interested in assisting or performing at the event, please contact friendsofbedfordpark@gmail.com
Harmony Day
Dear Parents/Carers,

**Congratulations on a great term**

I want to thank the staff for the great work they have done in Term 1. Although it was a short term a lot has been achieved. The students have settled into their classes and are in their routine of learning. I have enjoyed my classroom visits and speaking to the students about their learning. Many students have made some great learning gains during the term. We also want to thank you, the families of our school, for your support of the work that we are doing every day.

**School Improvement Agenda: Action Learning Project (writing focus)**

During this term, the teachers have met with me to create their action learning project focusing on writing. The teachers used data collected from a school based writing task to find aspects of writing that needed to be worked on. The teachers created a whole class goal for their project, that we will use to monitor the students’ progress. Throughout the year, the teachers will research, collaborate, plan and implement activities to improve students’ learning in writing.

**Parent and Teacher interviews**

Thank you for the positive feedback that we received about our new parent and teacher interview process. Many schools follow a similar process and I am glad that this has been a success for us. We will email you with a semester report at the end of Term 2, and conduct interview at the end of Term 3. Please look out for details about this in upcoming newsletters.

**Holidays: Friday 25 March to Sunday 10 April**

Today is the last day of Term One. We start holidays tomorrow and school resumes on Monday 11 April.

Over the holidays, please watch our school and report any suspicious behaviour to School Watch on 13 17 88.

**Leave**

During the first two weeks of next term, I will be on leave. Ms Leesa-Maree Jedras will be Principal during this time.

I wish everyone a safe and relaxing holiday.

Regards,

Graham Rickuss
Reading

Learning to read is arguably the most important educational outcome of our students learning journey with us. Reading is a complex process that integrates a range of skills and knowledges.

At Brisbane Central we teach reading using the Australian Curriculum. Based on research by Deslea Konza we focus our teaching and learning of reading around six elements that are integral to learning to read. This is referred to as The Big 6. Within and across a lesson, day, week and ... years we address these areas with the students and teach reading across the different areas of the curriculum.

Advance Learners Program

Parent Register – Area of Special Interest or Expertise

Thank you to the parents who registered their willingness to share their area of interest or expertise with the school.

In term one the Advanced Learner Reference group conducted a survey to form a register of parent volunteers that can be drawn upon to help with a range of situations including special events, classroom programs and enhancement programs. We will be in contact with those parents early in Term 2 to discuss possible options for inputting into our school programs. The survey remains open so if you would like to help us in your area of special interest or expertise please follow this link to fill out the survey. https://www.surveymonkey.com/r/VW3FNTL

Advanced Learner Program – Parent Feedback

There is a range of ways that we deliver learning experiences to the children to cater for their different levels of ability. One way is through extra programs that they attend. Throughout this term groups of students have participated in a range of opportunities extending the year level curriculum in their areas of special interest and learning ability. These programs include BRAINways Days of Excellence, G.A.T.E.WAYS Eureka Program, IMPACT Online Learning and Queensland Academies Partnership School workshops and programs. Students are identified for these programs based on criteria. Early next term the Advanced Learner Reference Group will review the parent, student and teacher feedback on these programs to assist us with making good decisions for the future. If you would like to provide feedback on a program that your child has participated in and have not yet done so please email principal@brisbanecentraless.eq.edu.au  Subject: Advanced Learner Program Feedback

Include: Your child’s name, Name/date of the program,
Strengths of the program, Weaknesses of the program and Other Reflections.
Please return this by the end of the first week of Term 2.

Maureen Kelly
Advanced Learner Program Coordinator

PE News

Cross Country
On Thursday 21 April we are holding our school cross country.

Students in year 3 – 6 will run from 9.15 to 10.45 on a course around the school.
Students in Prep to year 2 will run from 11.30am to 1pm. Their course will be around the school oval.

We look forward to seeing you all at our Cross Country next term.
Dave Johnson
PE Teacher
Active School Travel

Active Travel is when the students walk, scooter or cycle, use public transport and car pool with other families to school.

Star Class Trophy

The following class has won the Star Class Trophy, for the highest percentage of students actively travelling to school each week.

Week 8 was 2W with 100%

The Brisbane City Council has created some Active Travel Maps. There are copies on the table outside the school office. Please have a look at the map. An orange line indicates suggested Park and Stride routes to school. The Active School Travel committee selected areas where many family live and walk to school.

Library News

2016 sees some changes. I will be in the library 2 days a week – Monday AND Friday. The library is open from 8.30 – 3.15. Children are also welcome at first break after eating their morning tea.

Borrowing Information

Classes have a weekly library time when they return and borrow books. Students can also return books anytime to the box in the photocopy room under the library. When children borrow, I would encourage them to choose an age and content appropriate book. It is also very important that children return their books weekly as staff also use the same library books for teaching.

How to encourage reading at home

At Brisbane Central State School we aim to create a love of reading and books. You can help by:

- **Immersion** – Surround your child with books, magazines, newspapers, art work, handwritten notes etc.
- **Demonstration** – Read to your child and give them the opportunity to read to others.
- **Expectation** – Expect that you will read together so books should be given to your child at an early age.
- **Responsibility** – Enjoy reading together and let your child choose a book.
- **Use and Practice** – Give your child lots of opportunities to read and write.
- **Response** – Give your child positive feedback for having a go. Reading pictures is a great way to start at an early age. Ask questions during and after reading.
- **Approximation** – Let your child take an active part and experiment in reading.
- **Reflection** – Discuss your child’s reading habits as well as allowing them to think back over a story.

Books for Fiji Children

After the devastating cyclone in Fiji, I am organising a book collection for the children in Fiji. There will be a box outside the library for used and/or new children’s books only. Donations are greatly appreciated.

Narelle Hoelzl,
Teacher Librarian.

Election Day BBQ:
The P&C raised almost $450 at the Election Day BBQ held last Saturday the 19th of March. It was a hot day in and outside the kitchen and many thanks go to Tony Holcroft and his son Troy for organising the BBQ, and also to their helpers on the day – our school groundskeeper Greg Walls, Maile Rauluni, and Janet Hughes.

P&C Parent Questionnaire:
Thank you to those parents and families who participated in the recent P&C Parent Questionnaire. There were some terrific suggestions and feedback! All the information is currently being collated to be discussed at the next P&C Meeting on Wednesday the 13th of April (6pm). The responses and ideas given will closely inform a discussion regarding the priorities of the P&C for 2016 in terms of supporting the school through funding for special projects (big or small) and the fundraising activities to do this.

Uniform Shop News
The opening days and hours are
- Every Tuesday 8.15 - 8.45 am
- Every Friday 3.00 – 3.30 pm
Payment in cash or mobile banking.
Please contact Mahtab Nowrouzi uniforms@brisbanecentralss.eq.edu.au or 0449 112 061 if you require more information.

2016 P&C Executive: Contact us at pandc@brisbanecentralss.eq.edu.au

President: Brian Steendyk
Vice President: Kirsten Lovejoy
Vice President: Nizam Abbany
Treasurer: Colleen Tuxworth
Secretary: Kat Hennessy

The next P & C meeting is on Wednesday 13 April starting at 6.00pm in the French room.

Art Gallery Excursion on Tuesday 19th April
BCSS Parent English Class finished Term 1 on a happy note on Tuesday enjoying the school Harmony Day parade following our lesson. We have had a wonderful term of learning English together, and getting to know each other. The Parent English program will start again in Week 1 of Term 2 - TUESDAY, 12 APRIL at 1:00pm in the French classroom. We would like to encourage any parents new to English to join us on Tuesday afternoons in a program to help you become more confident in your English speaking skills.

On Tuesday, 19th April, the Parent English class will be having a whole day of English learning when we walk to the city CBD, then on to the Brisbane Art Gallery. We will enjoy a tour of the Art Gallery, have lunch together, then return to BCSS by 2:45pm. We will meet at our classroom at 9:00am on Tuesday, 19th April. The details for our excursion are set out below:

<table>
<thead>
<tr>
<th>Excursion Date:</th>
<th>Tuesday, 19th April</th>
</tr>
</thead>
<tbody>
<tr>
<td>Meeting Time:</td>
<td>9:00am</td>
</tr>
<tr>
<td>Meeting Place:</td>
<td>French classroom - our usual classroom</td>
</tr>
<tr>
<td>What to bring:</td>
<td>Hat + wear comfortable walking shoes</td>
</tr>
<tr>
<td></td>
<td>Lunch + drinking water</td>
</tr>
<tr>
<td></td>
<td>Umbrella (in case of rainy weather)</td>
</tr>
<tr>
<td></td>
<td>Happy smiles &amp; loud speaking voices</td>
</tr>
<tr>
<td>Return time:</td>
<td>We will return to BCSS at 2:45pm</td>
</tr>
</tbody>
</table>

Please join us for our first lesson of Term 2 on Tuesday 12th April, and for our excursion to the Brisbane Art Gallery planned for 19th April.

**2016 School Improvement Agenda**

To improve student outcomes we will use the growth mindset strategies for:

1. Student Case Management in Reading to use data to differentiate for students.
2. Action Learning projects to gain an understanding of effective teaching strategies in writing.
3. Talk partners within the classroom to support learners.
4. Digital Literacies as a tool to engage learners.
