Art Auction this Friday

The P&C's major fundraising event for 2014 is nearly here.....the **Art Auction**.

Each class has been busy preparing a composite or whole-of-class artwork and the canvasses are drying in readiness for the BIG DAY (Friday 12th September 5-8pm).

The teachers and students have been working extremely hard to create some amazing pieces of art that would proudly grace any home or office. So come along and browse your child/children's artwork. All class artworks will be up for sale through the auction on the night.

All funds raised from the Art Auction will go to the P & C to provide extra resources for this great school. ✍️

Welcome to our new Principal

The P&C gives a warm welcome to the new Principal, Graham Rickuss.

Our school is going through an exciting time in its history, with the return of the former BCSS school building and land to BCSS and a master plan process soon to begin for our school and the other schools in the Brisbane Central region. DE TE hope to award the contract for the master plan by the end of next week. Therefore, we hope to be able to bring you news soon on when this master plan process for our school will actually begin, including consultation with the P&C and the community.

We look forward to working with the new Principal and DE TE to deliver optimum results for this wonderfully vibrant and historic school. ✍️

Cheers, Paul

Garden Working Bee (Sunday 19 November 2014 8am-11am)

✿As the school gardener works part-time, once or twice a year, the P&C gets a working bee together to help the gardener maintain the school gardens. A working bee is a voluntary group of people who come along and pitch in with whatever needs to be done. For a garden working bee this generally means pulling out weeds, trimming trees, clearing dead branches, and generally tidying up the area. With the return of the additional land next door, the P&C is hoping to focus on tidying up the area that bounds the current and additional school land)

✿No experience required. If you have gardening gloves and equipment please bring them along. If you don't, no worries, there are always extra supplies hanging around.

✿Children who attend have a great time helping out and taking ownership and pride in helping improve their school. All parents and children welcome.

Next P&C meeting Wednesday 8th October, 2014 5.30pm in the hall

NEW and OLD families welcome!
