

Great Results Guarantee

Snapshot report

**Under the agreement for 2015
Brisbane Central State School received**

\$203,970

Our full 2015 agreement can be found [on our website](#).

Our school strategies are showing substantial progress toward our targets

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. In particular, we achieved our targets for the Upper Two Bands in Reading. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Analysing student data to monitor student progress regularly with the HOC and Principal.
- Using data informed professional learning plans for teachers with coaching, observation and feedback.
- Using data to inform appropriate support to students through extension or intervention.
- Developing whole school shared understanding of the teaching of reading and oral language teaching strategies.
- Providing an increase to our EAL/D team to support students where English is a Second Language.
- Employing a literacy coach to support teachers work in reading.
- Purchasing data collection resources for school based student data tracking.
