P&C PLANNING WORKSHOP

The BCSS P&C Association is holding a strategic planning workshop on the morning of Saturday the 12th of November from 8am to 11am in the library and light refreshments will be served. At this workshop we will be discussing ideas how the P&C can continue to support the school and establish short-term, medium-term and long-term plans for our fundraising and activities.

This workshop will be facilitated by staff from P&Cs QLD and we welcome Members to attend. We are hoping to have at least one Member representing each grade from Prep to Grade 6 and are currently seeking a parent volunteer to represent Grade 2 and also Grade 5. Please email the P&C if you are interested in attending the planning meeting or would like to volunteer to represent your child's grade.

The P&C conducted a Parent Survey earlier this year and the feedback and ideas received as part of the questionnaire will also help inform the planning meeting. Please contact any of the Executive or the nominated parent for your child's grade if you have any questions or would like to share your ideas.

END OF YEAR CONCERT

Classes, bands and choirs have started rehearsing their performances for the End of Year Concert which will be held on Thursday 1st of December from 6pm.

This is a fantastic event in the school calendar and is also one of the ways the P&C supports the school by assisting in the organisation of the concert.

We will be finalising the task list for the planning and running of the concert and the associated fundraising activities at the next P&C Meeting (next Wednesday the 2nd of November, 5.45pm). Thank you to those who have already indicated that they will help on the evening – we will be in touch later next week.

If you have some time to assist with the set-up, manning a food or novelty stand, cooking or packing up please email pandc@brisbanecentralss.eq.edu.au and we will add you to our list of volunteers. Thank you!
